

MC55 Charging Holster

Providing a Solution for all your Charging Needs

Introducing new MC55 Charging Holster for Symbol® MC50/MC55 Devices. One holster has it all.

Vehicle Charger

Light weight, versatile and portable design for in-vehicle use. Optional mounting brackets for side or bottom mounts.

Spare Battery

Continuously charges the devices internal battery allowing it to run 3 times longer.

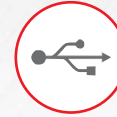

Desktop Charger

Its integrated LiP battery provides additional 4,000 mAh capacity eliminating the need for separate desktop charger.

Holster

New rigid holster with adjustable belt clips provides reinforced strength and durability. Ergonomic design fits well in hand.

USB Connectivity

Transfer your data without any USB cables. Unique holster available with built in USB connector.
